SHIELD - SHAPED SIDE TABLE

Cod: 03013

Shield is an elegant side table crafted from travertine, featuring a back-painted glass top and a brass decorative element. The top is 60 cm from the floor. Each piece in the Shield collection stems from in-depth research into ancestral forms and motifs, resulting in an innovative design that blends tradition with modernity. Made from sustainable, recyclable materials such as glass and natural travertine, this piece adds elegance and charm to any setting.
