Solid wood Marais square side table with one drawer and two sliding trays. Sophisticated and refined, can be easily positioned in living and sitting areas. Featuring an original perforated wooden frame, can be supplied with different finishes for the structure and the top. Upon request can be made to measure. For this item, as for all the other side tables of the Concept Collection, there is only embarrassment in the choice of wood finishes. Brushed or lacquered, patinated or decorated by hand, the noble natural material is always the protagonist of the most elegant and refined projects, where the quality of the artisanal manufacture merges with the innate Tuscan creativity.

The product can be supplied exclusively on request and is not available with the usual delivery times. It is always necessary to ask our Commercial Office about its feasibility.
