IRIS - PADDED CHAIR

Cod: 02146

Iris chair, made with solid wood frame and structure padded with polyurethane of different densities. Available with fabric or leather cover. Can be supplied in several finishes. Equipped with a handle on the back of the chair made of cast metal for easy moving.

Technical Specifications

Structure: solid beech wood structure with springing guaranteed by elastic rubber straps and springs

Padding: high-density polyurethane foam in differentiated densities, an elastic upper layer that, combined with the lower layer, ensures better softness over time.

Not removable seat cover.
