PINS - READING FLOOR LAMP

Cod: 02983

Crafted of brushed brass this reading floor lamp boasts an elegantly elongated silhouette complemented with a vibrant ceramic salmon glazed base. The ceramic base supports a long rod, connected with a second element that allows adjusting the direction of the light. The sloping arm holds a satin spherical glass and a small ceramic element glazed in the same tone of the base for a perfect matching. Available in different finishes.

The floor lamps of the Notorious collection recall the style of the 40s. The preciousness of the materials used and the reassuring aesthetic quality allow them to be inserted in both residential and hospitality projects.
