

PINS - SUSPENSION

Cod: 02984S

Suspension with brushed brass structure and glazed ceramic element, available in different finishes and colors.

Overlapping volumes that interact with each other with simplicity and brightness, emphasized by a ceramic element in contrasting color that emphasizes the surfaces and highlights the extension of the suspended object to the maximum. The light source diffused by the spherical frosted glass opens freely to the space which softly illuminates.

The suspensions of the Notorious collection feature a sleek design, top quality construction details, wide range of finishes so they are particularly suitable to be inserted in the most fascinating residential and hospitality projects.
