MYTHOS - SECTIONAL SOFA

Cod: I0331

Pure shape and lines, an independent sofa with the possibility of being composed and decomposed according to the functional and aesthetic needs related to the new trends of living. The welcoming and wide seat can be freely equipped with accessory elements such as side tables in brushed brass with back-painted glass top or reading floor lamps through a simple plug-in system.

The structure of the sofa is in wood with padding in polyurethane foam in different densities.

The various compositions with the upholstered furniture of the same line, allow inventing multiple solutions with very scenographic results, which can be placed next to the wall or in the center of the living room.
