

## JAPAN - SMALL HANDLE

Cod: TTKMA10

Japan handle of cast metal to be used on the collections of furniture and upholstered chairs. Available in two finishes: TD antique gold or NK antique nickel.

The production of exclusive cast metal handles is part of the services that Marioni company makes available to customers and professionals. A collection that includes several models, manufactured with an obsessive attention to the quality of finishes and details. Traditional production processes are carried out within the Florentine territory with the collaboration of master craftsmen who for decades have handed down the art of casting to subsequent generations. On request it is possible to create, even for small batches, bespoke pieces.
